

High School Curriculum

Weekly Update # 6

[Being a Good Audience Member](#) is a short, concise slideshow which simply reiterates appropriate behavior at any age as audience members. This is great for the students as they prepare to attend the LEAD Montana Conference. While participating in the LEAD Montana Conference, the students will hone their audience skills while attending a leadership workshop and luncheon with table conversation and award presentations.

As the recommended E Competency Lesson Plans mentioned in Weekly Update # 1 are nearing end, it's time to focus on **F Competency Lesson Plans: Personal Skills-Healthy Lifestyles**.

Specifically; F36-L1: [Attitude](#), F36-L2: [Coping With Change](#), and F37-L1: [Etiquette](#) are excellent lesson plans with accompanying activities that will help prepare your students for their trip to Helena for the LEAD Montana Conference. These 3 lesson plans comprise of approximately one week of curriculum. Remember- the accompanying activities, hand outs and worksheets are found in the drop-down box on the JMG website: [Curriculum](#).

STUDENT VOICE | INNOVATE | MOBILIZE | EMPOWER | CONNECT
